**INFORMATION CIRCULAR
AS AT NOVEMBER 23, 2018**

**ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON DECEMBER 28, 2018**

PERSONS MAKING THE SOLICITATION

This information circular (the "**Information Circular**") is furnished in connection with the solicitation of proxies by management of Newmac Resources Inc. (the "**Company**") for use at the annual general meeting of shareholders (the "**Meeting**") of the Company to be held at 10:00 a.m. (Vancouver Time), on Friday, December 28, 2018, at #204 – 2121 Kingsway, Vancouver, British Columbia, and any adjournment thereof, for the purposes set forth in the accompanying notice of meeting (the "**Notice**").

All costs of solicitation by management will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and employees may solicit proxies personally, by telephone or facsimile, but will not receive compensation for so doing.

APPOINTMENT OF PROXYHOLDERS

The individuals named in the accompanying form of proxy (the "**Proxy**") are Valent Chan, Chief Financial Officer and Janet Horbulyk and were designated by management of the Company (the "**Management Proxyholder**"). **A shareholder wishing to appoint some other person who need not be a shareholder to represent the shareholder at the Meeting has the right to do so, by striking out the names of those persons named in the accompanying form of Proxy and inserting such other person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.** A proxy will not be valid unless the completed form of proxy is received by **Computershare Investor Services Inc.**, Proxy Dept. 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment or postponement thereof. Proxies delivered after that time will not be accepted.

REVOCABILITY OF PROXY

A shareholder who has given a Proxy may revoke it by an instrument in writing:

- (a) executed by the shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company; and
- (b) delivered to the Company's Head Office at #203 – 2121 Kingsway, Vancouver, British Columbia, V5N 2T4 at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof, or in any other manner provided by law.

Only registered shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries (as defined below) to revoke the Proxy on their behalf. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

Shares represented by properly executed Proxies in favour of persons designated in the enclosed form of Proxy will, where a choice with respect to any matter to be acted upon has been specified in the form of Proxy, be voted in accordance with the specification made. Such shares will be voted in favour of each matter for which no choice has been specified by the shareholder.

The enclosed form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed as a proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice and with respect to other matters which may properly come before the Meeting.

In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, management of the Company knew of no such amendment, variation or other matter, which might be presented to the Meeting.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. A person is not a registered shareholder (the "**Non-Registered Holder**") in respect of shares which are held on behalf of that person but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency such as the Canadian Depository for Securities Limited (the "**CDS**"), of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners ("**NOBOs**"). Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners ("**OBOs**").

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has elected to send copies of the Notice, this Information Circular and the Proxy (collectively, the "**Meeting Materials**") directly to the NOBOs and indirectly through Intermediaries to the OBOs.

Intermediaries will frequently use service companies to forward the Meeting Materials to the OBOs. Generally, an OBO who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned

by the OBO and must be completed, but not signed by the OBO and deposited with Computershare; or

- (b) more typically, be given a voting instruction form (a "VIF") which is not signed by the Intermediary and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

The Company will not pay for intermediaries to deliver the Meeting Materials to OBO's, and OBO's will not receive the Meeting Materials unless their intermediary assumes the cost of delivery.

These Meeting Materials are being sent to both registered shareholders and Non-Registered Holders. If you are a Non-Registered Holder and the Company or its agent has sent these Meeting Materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these Meeting Materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (a) delivering these Meeting Materials to you and (b) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Meeting Materials sent to NOBOs who have not waived the right to receive the Meeting Materials are accompanied by the VIF instead of a form of Proxy. By returning the VIF in accordance with the instructions noted thereon, a NOBO is able to instruct the voting of the shares owned by it. VIFs, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted thereon. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares, which they beneficially own.

Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or his or her nominee, the right to attend and vote at the Meeting.

Please return your voting instructions as specified in the VIF. Non-Registered Holders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person: (a) who has been a director or executive officer of the Company at any time since the commencement of the Company's last completed financial year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b), has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting other than the election of directors and the appointment of auditors and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's authorized capital consists of an unlimited number of common shares without par value. As at November 23, 2018 (the "**Record Date**"), there were 9,716,042 shares issued and outstanding. Each share carries the right to one vote.

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified herein, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the knowledge of the directors and senior officers of the Company and from information obtained on the SEDI website at www.sedi.ca, there no person or company who beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company, except for the following:

Name	No. of Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly	Percentage of Outstanding Shares
Real Flourish Holding Limited ⁽¹⁾	4,500,000	46.31%

Notes:

- (1) Real Flourish Holdings Limited is a corporation wholly owned by Han Xin (Harrison) Wu, Chief Executive Officer of the Company.

Management of the Company proposes to nominate the persons named in the following table for election to the board of directors of the Company (the “**Board**”). Each director elected will hold office until the next annual general meeting of the Company or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Company or with the provisions of the *Business Corporations Act* (British Columbia). In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the shares represented by Proxy for the election of any other person or persons as directors.

Shareholders will be asked to determine the number of directors at four (4).

The following table sets forth the names of the management’s nominees for election as directors; their offices in the Company and any of its significant affiliates; the period of time that they have been directors of the Company; the present principal occupation, business or employment of each management nominee; and the number of shares of the Company which is beneficially owned, directly or indirectly, or controlled or directed by each management nominee.

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Compensation of Directors

Compensation of Directors of the Company is reviewed annually and determined by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

The Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long term incentive plans, share compensation plans or any other such benefit programs for directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

Elements of NEO Compensation

Salary

The Company's CEO and CFO receive annual salaries. The Board reviews salaries annually to ensure that they reflect each respective NEO's performance and experience in fulfilling his/her role. Due to relatively small size of the Company, limited cash resources, and the early stage and scope of the Company's operations, NEO's receive limited salaries relative to industry standards. The Board does not currently have a plan in place to materially increase NEOs' salaries.

Option Plan

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEO's. Other than the Option Plan, the Company does not offer any long term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit program to NEOs.

Pension Plan Benefits

The Company does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.

CORPORATE GOVERNANCE

In accordance with the requirements of National Instrument 58-101 *Disclosure of Corporate Governance Practices* and National Policy 58-201 *Corporate Governance Guidelines* (the “**Guidelines**”), the Company is required to give full and complete disclosure of corporate governance practices. The following describes the Company’s approach to corporate governance:

Independence of Members of Board

The Company's Board consists of four directors, two of whom are non-independent and two of whom are independent, based upon the tests for independence set forth in National Instrument 52-110 – *Audit Committees*. Han Xin (Harrison) Wu is not independent as he is the President, Chief Executive Officer and Corporate Secretary of the Company. Karmen Wu is not independent as she received salaries. Gong (Michael) Chen and Ze Yong (Allan) Wu are independent.

Management Supervision by Board

The operations of the Company do not support a large Board of Directors and the Board has determined that the current size and constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are however able to meet at any time without any members of management including the non-independent directors being present.

The participation of the directors in other reporting issuers is described in the following table:

Name of Director	Name of Reporting Issuer
Gong (Michael) Chen	Ord Mountain Resources
	Credent Capital Corporation
Han Xin (Harrison) Wu	Nil
Karmen Wu	Nil
Ze Yong (Allan) Wu	Nil

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

- (a) access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information;
- (b) access to management and technical experts and consultants; and
- (c) a summary of significant corporate and securities responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with

management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders. The Board is in the process of adopting a Code of Conduct and will instruct its management and employees to abide by the Code. Once adopted the Code of Conduct will be filed on SEDAR and available under the Company's name at www.SEDAR.com.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mineral exploration industry are consulted for possible candidates.

Compensation of Directors, the Chief Executive Officer and Other Key Officers

The independent Directors have the responsibility for determining compensation for the directors and senior management. To determine compensation payable, the independent directors review compensation paid for the directors, Chief Executive Officer as well as other key officer positions, of companies of similar size and stage of development in the mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation the independent directors annually review the performance of the key members of senior management and in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

Board Committees

As the directors are actively involved in the operations of the Company and the size of the Company's operations does not at this time warrant a larger board of directors, the Board has determined that additional committees beyond the existing ones are not necessary at this stage of the Company's development.

Assessments

The Board does not have any standing committees other than the audit committee. The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal annual assessments of the Board's effectiveness, the individual directors and each of its committees. As part of the assessments, the Board or the individual committee may review its mandate and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

Under National Instrument 52-110 – *Audit Committees* ("NI 52-110"), companies are required to provide disclosure with respect to their audit committee including the text of the audit committee's charter, composition of the audit committee and the fees paid to the external auditor. Accordingly, the Company provides the following disclosure with respect to its audit committee:

Composition of the Audit Committee

The current members of the Audit Committee, and following the election of the directors pursuant to this Information Circular, the following will be the members of the Audit Committee:

Gong (Michael) Chen	Independent ⁽¹⁾	Financially literate ⁽²⁾
Ze Yong (Allan) Wu	Independent ⁽¹⁾	Financially literate ⁽²⁾
Karmen Wu	Not Independent ⁽¹⁾	Financially literate ⁽²⁾

Notes:

- (1) A member of an audit committee is independent if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board of Directors, reasonably interfere with the exercise of a member's independent judgment.
- (2) An individual is financially literate if he has the ability to read and understand a set of financial statements that present a breadth of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.
